# **ANNUAL REPORT**

# **2022**

**Preamble:** "Let us keep our eyes fixed on Jesus, on whom our faith depends from beginning to end. He did not give up because of the cross! On the contrary, because of the joy that was waiting for him, he thought nothing of the disgrace of dying on the cross, and he is now seated at the right side of God's throne." **Hebrews 12:2.**

*Country Director,  
 Rev. Samuel B. Lawerteh*

We are excited to share with you our teaming supporters and partners some exciting updates and news from our literacy ministry. Doing missions in this era of Ghana's economic difficulties is challenging and daunting. We trudge down the economic landscape as we are whittled by financial bites. Nonetheless, our faithful Lord has been good to us. We were able to deliver on our mandate despite the grave moments, as you can see from the updates below.

Among others, we have been able to run Teacher Training Workshops (TTW), Primer Construction, equipping churches with our technical expertise engagements, etc. The Church of Pentecost stood tall in all these, as our team remained solid on the ground to provide the needed services. We thank you our faithful supporters and partners, for your donations in cash and kind.

As faithful stewards, we are fired up with your partnership to do more in the ensuing years. A mental picture of our preferred future is to see our proposed literacy center fully operational. We trust the Living Lord for adequate resources for construction.

### 4.0 Testimonies from the various Literacy classes

DECONESS IVY OPARE OF ODUMAN DISTRICT

"I was the first person to enroll in the literacy class when it was introduced in the church. I have benefitted a lot from attending the literacy classes. Now when I take my Bible I'm able to read it."

DECONESS MARY OTABI OF NSAKINA NEW TOWN ENGLISH CLASS

there's been a tremendous improvement in my reading, writing and understanding of the English language." Deaconess Mary Otabi is now able to read the English Bible and understand it much better.

"I joined this class to improve upon my reading, writing especially spellings and understanding of the English language. Sometimes when I attempt to read I'm not able to understand. When I started attending this literacy class,

## Testimonies from the various Literacy classes.... cont'd

MADAM SARAH AMOAKO  
OF AGAPE DISTRICT

Madam Sarah Amoako joined the Anyaa-Ablekuma Area literacy class of the Church of Pentecost at its inception. She enrolled in the Asante Twi Class at the Nicobeth center. This was her testimony to Literacy & Evangelism Ghana and Pentecost TV officials two months after her enrollment in the Asante Twi Class:

"Firstly, we thank the Lord and we also thank our leaders for introducing this literacy programme in the church for us. The programme has helped us in a big way. I've never been to school before. I couldn't read and write either English or Twi. Honestly, this literacy programme has helped me a lot. Previously, anytime I went to church and a passage was read from the Bible, I was not able to open my Bible in church because I couldn't read. Now I can open every part of the Bible to read.

At home I can confidently open my Bible to read. When I first joined the literacy class, I was not able to recognize the word "Mansa" from the Asante Twi primer let alone read or spell it. But, now I'm able to read, spell and write "Mansa" anywhere I meet that word among other words in the Asante Twi language. Now a lot of us who have enrolled in the literacy classes can read. One of the Leaders in our Church Women's group has also testified that she has now been reading the Bible

Madam Agnes Oforiwa is a pioneer student of the Tema Market Women's literacy Class. She is in the Asante Twi class. The literacy class was started in October 2022 by the Women of Full Gospel Business Men's Fellowship International (FGBMFI), Tema Chapter. The learners are all women from the Tema market. When Madam Agnes joined the literacy class, she could neither read nor write. Her inability to read and write rather pushed her to focus on becoming a literate person. Her aim of enrolling in the literacy class was to be able to read and understand the Bible as well as be able to record her daily sales in writing.

MADAM AGNES OFORIWA OF TEMA MARKET  
WOMEN TWI CLASS

In May this year, the FGBMFI renovated the classrooms where the women have been holding their literacy classes and handed them over to the Oniku Drive Junior High School authorities. During the dedication and handing over ceremony, Madam Agnes Oforiwa read the Bible passage for the occasion in Asante Twi to the admiration of the gathering.

"I joined the English literacy class about two months ago when it started. My reading was poor when I started but now, I can read and write appreciably. The literacy class has helped us a lot in our Bible reading. Now I can understand what I read from the Bible. Now I'm able to write my name and read other materials in English also."

ELDER JOHN HUNU OF JOMA DISTRICT
